

Kudos!

Kudos to GRANVILLE COUNTY and the GRANVILLE COUNTY ECONOMIC DEVELOPMENT COMMISSION for hosting the annual BUSINESS AND INDUSTRY APPRECIATION EVENT in September. Each year, this event grows with the number of vendors and attendees! What an incredible way to recognize and show appreciation to all of the businesses and industries in Granville County!

Help Plan the Future of Parks & Recreation in Granville County

make your opinion count with this quick survey!

"Please take a few minutes to complete the Granville County Parks & Recreation Survey, which is located on the County website at www.granvillecounty.org. If a hard copy of the survey is preferred, they are available at your local library or town hall and can be dropped off there as well. The deadline for the submission of surveys is October 30, 2015 and we ask that only one survey be completed per household. Thank you for your participation as we continue to improve parks & recreation activities in our county." - *Submitted by Granville County*
