Membership Appreciation Picnic/Cookout a Tasty Event!

Chamber Ambassadors hosted the 4th Annual Membership Appreciation Picnic/Cookout on Friday, May 18 at the Granville Athletic Park. The Ambassadors prepared and served this free cookout style picnic to Chamber members. The event was organized by the Ambassador Chair, Rose Connor of the Creedmoor Business Center, Bill Allen of Acera Wealth Management and Maxwell Wheeler of Lawn Ranger Services, LLC. The food was tasty, the weather was wet but bearable under the GAP's huge shelter, the conversation was awesome, as our new "friend" Jake the Snake, visited us twice, while the cornhole competition was both friendly and fierce! Check more pictures posted on our FACEBOOK page. Save the date now for next year's Appreciation event on May 17th.

LEADERSHIP GRANVILLE ~ CLASS OF 2018-19

Perhaps you or someone you know is interested!

The Granville County Chamber of Commerce is providing an opportunity for inquiring minds to participate in the 29th LEADERSHIP GRANVILLE CLASS. Individuals with a sincere and genuine interest in future service to the community and those who have demonstrated commitment by previous community activities are encouraged to apply. The program provides an education about various facets of Granville County, and all graduates have praised the program for presenting many aspects of our county. Individuals interested in assuming leadership positions within their organization and/or community will find the knowledge gained in the program to be an asset. Class sessions will begin mid-September and end with graduation in early April.

The program consists of approximately twenty sessions. The length of the sessions vary from daylong to half day and some evening. Session highlights include: leadership assessment and development, personal and group dynamics, county history, city-county-state governments, education, the arts, agriculture, economics-industry-small business, health services and volunteer agencies, human services, community support, tourism, judiciary and law enforcement, visiting manufacturers, farm, industries, businesses, etc.

Sponsored by the Granville County Chamber of Commerce, Granville County Public Schools and Vance-Granville Community College, Leadership Granville offers citizens of Granville County the opportunity to acquire knowledge of the community and develop their leadership potential. It offers new citizens an opportunity to become personally and professionally acquainted with county structure and life, which can benefit their present and future leadership.

Interested individuals should contact one of the Chamber's office locations – 124 Hillsboro Street in Oxford/Wanda, 919.693.6125, wanda@granville-chamber.com or 1598 Highway #56, Butner/Toni Anne, 919.528.4994, tawheeler@granville-chamber.com to request an interest flyer and class session schedule for the year.
