2022

New Teacher Bag Donations

The Chamber will be collecting items for 160 new teachers in Granville County. We would like to have the items by **August 1st!**

In past years, our members have donated items such as business swag, pens, pencils, note pads, coupons, gift cards, key chains, rulers, tape measures, hand sanitizer, health and beauty products, candy/microwave popcorn/small bag of coffee/small snack bag of crackers or chips with a business card attached. Your creativity is amazing! And, our new teachers are very appreciative!
